

2015 Hawaii Trampoline Championships

2015 April 11, Hawaii Academy - Kalihi

The Hawaii Trampoline Championships have been held each year since 1999 to rank trampoline gymnasts for advancement to regional, national, and international competitions. Elites perform twisting double and triple somersaults while all others do jumps with single somersaults and are divided by age division. In addition to these categories the overall best performers regardless of age or skill level perform in the 'finals' for the overall best male and female awards. The three competitive events are: trampoline (TR), double mini-trampoline (DMT), and power tumbling (TUMB).
